Acknowledgments

There are several people who were instrumental in the process of putting this book together. I first would like to thank Ms. Martha Freeman for her continued support throughout my career. Special gratitude is due to my research assistants: Sechaba Khoapa, Dionne Cargill, Mrs. Danielle Cross-Wilkins, Kyle Harris, and my personal editor, Ms. Esther Spencer. I also would like to thank my colleagues Dr. David Jackson, Dr. Gary Paul, Dr. Keith Simmonds, and Dr. Valencia Mathews for their assistance.

Gratitude is certainly owed to the whole staff over at Scarecrow Press for the work they have done with me over the years. Special acknowledgment is due to my series editor, Dr. Martin Gordon, and Bennett Graff, Andrew Yoder, Rayna Andrews, and everyone else whom I failed to mention by name.

Last, I would like to acknowledge my parents, Donald and Brenda Daniels; my brothers, Donald and Charleston; and my sister, Yolanda, for their continued love and support during this process.
